RESPONSE TO NOTIFICATION OF NON-COMPLIANT APPEAL BRIEF

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the outstanding Office Action dated October 20, 2005, Applicants (hereinafter "Appellants") present the following remarks for consideration.

REMARKS

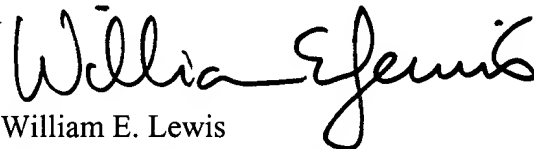

In the Notification of Non-Compliant Appeal Brief, the Examiner alleges that the Appeal Brief filed on July 25, 2005 is missing an "Evidence Appendix" heading and a "Related Proceedings Appendix" heading.

Appellants point out that M.P.E.P. § 1205.02 states that "[i]f there is no evidence being relied upon by appellant in the appeal, then an evidence appendix should be included with the indication 'none'" (underlining added for emphasis). The same section also states that "[i]f there are no such copies of decisions being submitted in the appeal, then a related proceedings appendix should be included with the indication 'none'" (underlining added for emphasis). Appellants interpret use of the term "should" as something desirable but not required, as opposed to use of the term "must" which denotes a requirement. This is consistent with the apparent purposeful and selective usage of the two terms in other parts of this section of the M.P.E.P., as well as in other sections of same. Accordingly, Appellants do not believe that such appendices are required and their express absence indicate that no such evidence or copies of decisions are included in the Appeal Brief.

The Notification of Non-Compliant Appeal Brief alleges that the "Summary of Claimed Subject Matter" section fails to contain reference to the figures and any necessary reference numerals.

Appellants submit herewith an Amended Appeal Brief containing the requested "Evidence" and "Related Proceedings" appendices, and an updated "Summary of Claimed Subject Matter" section. It is therefore requested that the objections be withdrawn and the appeal proceed without further delay.

Respectfully submitted,

William E. Lewis
